

RETIREE COUNCIL 21 Presents...

Thursday, October 15, 2015

Trip includes:

Essex, Connecticut – dubbed the ‘Perfect Small American Town.’ It has some of the finest examples of colonial and federal homes, antique shops, & specialty boutiques.

Griswald Inn – Lunch at one of the oldest, continuously operated inns in the country. Opened for business in 1776, it has been catering to yachtsmen & travelers ever since. The inn is picturesquely located on the banks of the Connecticut River.

Essex Steam Train & Boat Ride – Enjoy a 2 ½ hour narrated excursion through the Connecticut River Valley highlighting historic landmarks during the Fall foliage season.

To make the travel time more relaxing, we will be crossing Long Island Sound on the Port Jefferson Ferry rather than driving around.
